Local Options

Lenscrafters (<https://onesight.org/faqs/>)

Through OneSight's OnSite Voucher Program, eligible patients can receive glasses free of charge. The patient should:

1. Have their visual and financial need verified by a 501(c)(3) non-profit organization (such as a school, church, Lions Club, Prevent Blindness, Red Cross, or United Way).
2. Obtain a referral letter from the nonprofit (letter should be on company letterhead and include the Tax ID# for the nonprofit).
3. Take the referral letter issued by the nonprofit as well as a valid prescription to a participating Luxottica Retail Location ([LensCrafters](#), [Target Optical](#), [Sears Optical](#) or [Pearle Vision](#) corporate store) to receive a pair of glasses at no charge.
4. If the patient does not already have a valid prescription (one that is less than 2 years old) he or she can ask if the onsite doctor at the optical retailer is able to donate an eye exam on the spot. If not, they can reach out to [Prevent Blindness](#).

The Neighborhood Health Outreach is offered the second Saturday of every month: 12pm to 3pm and includes vision screenings and glasses.
