

Program Coordinator Name: Heather Aschoff, Chandra Smith

Associate Program Directors: Abby Schuh, Amanda Rogers, Beth Auble, Kris Saudek, Danita Hahn

Which clerkships are required for students to match into this specialty?

Pediatrics is a required clerkship, no others required

At what point in the interview season should a student consider applying to more residency programs in your specialty?

At the beginning based on review of their characteristics and programs they are interested in

At what point should a student consider applying to a back-up specialty?

When they have significant risk factors to not match (failed courses, failed step scores, other)

Recognizing that it can vary from year to year, when is the typical interview season for this specialty nationally?

Late October to January

Do you have any additional recommendations for students who are committed to matching in this specialty?

None provided
