

Educational Technology Corner | March 2020

Get the latest updates on educational technology, including Brightspace, TopHat and more.

Banner Public Course Catalog

Did you know that you can see the public course catalog? No login.... Just a few clicks and you are there!

Start at the [Office of the Registrar](#) website, then scroll down to Calendars, Course Catalog and Schedule of Classes. Click on **Course Catalog** or **Schedule of Classes** to see the MCWconnect search interface. The first pulldown menu offers you a choice of academic terms. After choosing a term, more advanced search fields are presented. The subject field will offer the MCW department list – click within the box to view. Search by known terms or numbers to find courses and information. Click on the Search box to view the course listing.
