

# Medical School

At the Medical College of Wisconsin (MCW), we understand that choosing a medical school is a critical life decision that will set course for you to pursue your calling in life and develop the skills to become a highly effective physician. We also know that it's about finding the place that fits your learning style, your lifestyle, and your career goals. MCW offers medical education in thriving, interconnected learning communities. At MCW, you'll have easy access to your fellow students, nationally-recognized faculty and the best medical education resources.

## Milwaukee Campus

### MCW-MILWAUKEE PROGRAM

If you're looking for a medical school that offers clinical experiences at some of the top hospitals in the country, significant one-on-one faculty attention, research opportunities with nationally recognized biomedical scientists, and the opportunity to select a **SCHOLARLY PATHWAY** that fits your area of career interest, **MCW-Milwaukee** may be the perfect place for you.

The **MCW-Milwaukee** campus features a 4-year program with enriching opportunities to prepare you to become a leader in patient care, research, and in the community.

### MAKE METRO MILWAUKEE YOUR HOME

Milwaukee is one of the Midwest's best-kept secrets and a prime location for the Medical College of Wisconsin's main campus. A one-of-a-kind city with a vibrant and diverse culture, this charming, yet metropolitan must-see is just 90 minutes north of Chicago and nestled on the coast of Lake Michigan. Whether you're catching a show at Summerfest, the world's largest

## Support for your academic success

### LEARNING COMMUNITIES

Support student well-being, peer mentoring, and faculty academic advising and coaching.

Your **LEARNING COMMUNITY** will become your support system where you will interact with a small group of peers and a faculty navigator. This is the place to nurture your adaptive learner skills and obtain academic advising and coaching.

During **SPIRAL WEEKS**, you will create and act on individual development plans for excellence and remediation and develop meaningful connections with peers and faculty.

At **MCW-Milwaukee**, **SCHOLARLY PATHWAYS** enable you to individualize your medical training while exploring a path that interests you. These include:

- Urban and Community Health
- Clinical and Translational Research
- Quality Improvement and Patient Safety
- Health Systems and Management Policy
- Molecular and Cellular Research
- Clinical Educator
- Global Health
- Bioethics
